

11) PROCEDURES FOR BRINGING IN PETS

1. Please check the Veterinary Import Regulation to confirm that your pet can be brought into Malaysia at <http://agrolink.moa.my/jph>.
2. Complete Application Form A to apply for Import Permit of Live Animals and Birds. Attach current vaccination record for dogs and cats. Pay RM5.00 for import fee. Submit the application to Department of Veterinary Services (DVS) at Headquarters, Health Division [Quarantine and Import – Export], 8th Floor, Block A, Exchange Square, Off Jalan Semantan, Bukit Damansara, 50630 Kuala Lumpur OR at State Veterinary Departments. It will normally take two working days to process the application form.
3. Apply for special approval for restricted breed of dogs (bull mastiff, bull terrier, Doberman, German shepherd, Rotteiler and perro-de-presa-canario). Refer DVS's website for further information at <http://agrolink.moa.my/jph>.
4. After obtaining Import Permit for Live Animals and Birds, please make booking with DVS for quarantine of certain animals and birds. Quarantine period ranges from a minimum of seven days to a maximum of 30 days.
5. All animals and birds under quarantine are subjected to a quarantine fee. For example, dogs only RM4.00 per day. Please refer to DVS's website for details.
6. Action to be taken by owner before exporting pet to Malaysia:
 - a. Obtain veterinary health certificate for pet from the government veterinarian of the origin country. This must be done within 7 days of export.
7. Submit the following original documents upon arrival in Malaysia to DVS officer at point of entry:
 - a. Original Import Permit for Animals and Birds
 - b. Original Veterinary Health Certificate from home country
 - c. Original Vaccination Certificate
 - d. All documents above must be in English or a certified translated version.
 - e. Complete Customs Form No. 1 (K1) using tariff code 0106 (zoos and pet) for importation.
8. The pet will be brought to quarantine station, if it is subject to quarantine.

9. Collect pet after quarantine period.

NOTES:

- a. Import Permit is issued on a consignment basis.
- b. Import Permit is valid for 30 days and may be extended to 60 days upon request.
- c. Owners are advised to familiarise themselves with the import regulations and comply with the conditions in the regulations. Refer to DVS's website for details.
- d. No quarantine if dogs from rabies free country (United Kingdom, Northern Ireland, Eire, Australia, New Zealand, Brunei, Japan, Singapore)
- e. Exotic pets of wildlife origin may be subject to wildlife conservation conditions. Refer to **Department of Wildlife and National Parks website: www.wildlife.gov.my**
